MCCAUSLAND CIVIC CENTER

THIS YEAR WE WILL BE DECORATING THE LITTLE CHRISTMAS TREE BY THE PAVILION. THERE WILL BE A MAILBOX THERE FOR LETTERS TO SANTA! IF A RETURN ADDRESS IS ON THE ENVELOPE, A LETTER FROM SANTA WILL BE MAILED BACK.

The Scott County Regional Authority (SCRA) is pleased to confirm a grant award for McCausland City Hall Generator in the amount of \$11,975.00.

City Hall has been without a generator in case of an emergency power outage since moving into the Bank building a few years ago. Since this is our main working area for the City and our maintenance department, and since it would serve as a “Command Center” in case of a major disaster, we needed to get a generator. However, it was not in our budget. So we applied for a grant from the Scott County Regional Authority. We are very happy to have received the full amount for the generator and it will be getting installed very soon!

THANKS AGAIN TO THE SCRA FOR OUR GRANT!!
